15.Multidisciplinary / interdisciplinary	
<p>This College of education pethwadgaon is affiliated to Shivaji University,Kolhapur and it strictly adheres to the prescribed syllabus by the university. To provide holistic academic growth among students, an Interdisciplinary curriculum has been proposed which gives freedom to the student to choose their preferred options from the range of options offered by the institution as teaching subjects, crafts, and other choice-based subjects offered by the institution. As the institution is a teacher education institution, it acquaints the student teachers with interdisciplinary and multidisciplinary approaches to implement them in their classrooms.</p>	
16.Academic bank of credits (ABC):	
<p>The university is in the process of developing ABC for all the affiliated colleges as they have demanded academic records of the students from all the affiliated colleges. For this purpose, a centralized database along with the database of the college is to be established to digitally store the academic credits earned by the student from various courses so that the credit earned by the student in the previous classes could be forwarded when the student enters the program again. For monitoring ABC, a proper technical support system is to be created. There is, however, little scope to go beyond University norms for an affiliated College.</p>	
17.Skill development:	
<p>To strengthen the skill development capacity of student teachers the institution has undergone a number of Memorandum of Understanding MoUs have been signed to enhance the employability</p>	

and teaching skills of future teachers. A number of value added courses have been initiated by the institution on various topics that include communication and personality development, Integration of ICT in Teaching-Learning, Life Skills Education, Soft Skills, Integrating Art in the Teaching-Learning Process, and training in self-defense etc. The institution organizes seminars, webinars, interactive talks of experts and other training sessions and workshops to develop the required skills among the students.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college ensures appropriate integration of the Indian knowledge system by adopting multilingualism in the classrooms. Students can also attempt papers in English, Hindi, and Marathi. Opportunities are provided to the students to participate to inculcate a sense of national integration, love for art, culture, and a civic sense among the student community. Whereas the subject like sociology, and philosophy with a focus on Vedanta, and Yoga philosophy as prescribed in the syllabus also acquaint the students with our rich culture. The college boasts of the best Herbal garden in the Union Territory of Chandigarh, which is a treasure trove of traditional knowledge if appropriately explored. The college celebrates different days to integrate Indian knowledge and values among students

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

All the courses, subjects, and Value-added courses have CLOs and PLOs and all efforts are being made to achieve these objectives by the end of the course. In Faculty Orientation and student Induction Programme the introduction, importance, and tasks to achieve these CLOs and PLOs are informed to the teachers and students. As a teacher Education Institution, the main focus is to produce teachers that are well trained to meet the demands of the contemporary education system. To fulfill its responsibility, the institution offers opportunities to student teachers to keep their knowledge updated by organizing awareness programmes on recent educational policies.

20.Distance education/online education:

We Conducted our B.Ed. Regular Programme Through online mode due to COVID-19 Pandemic Period for academic year 2019-2020, 2020-2021. We organised Faculty Development Programmes for students & Faculty in order to develop E-content

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

As per Shivaji university B.Ed. Syllabus assessment of teaching of student teachers is viewed from two perspectives, knowledge assimilation, Microteaching skills. The students are assigned topics from school curriculum to teach one skill for 5-7 minutes and after feedback again reteach for 10 minutes. In this process their level of teaching competencies are assessed primarily and later pedagogical training is attuned accordingly, which helps the teacher educator in designing the methods of teaching. Assignments allotted are focused on deriving critical thinking, problem solving and self-reflection. Project based learning activities search for efficacy in team work, compilation, presentation skills, analyzing and showcasing. During the peer-teaching sessions, the triangulation approach is applied for assessment. Predominantly, evaluation system is diverse and uses different types of assessment tools and techniques to check the progress Mentor Assessment proforma, practical aspects in all courses, Field work, Literary references, Preparation of subject, ICT based teaching. The student teachers are exposed to experiential processes in preparing questions for the question bank, assessment rubrics, MCQ's, blue print, question-wise, item analysis. SAT records help to measure the capabilities of individuals and analyze and standardize achievement test, diagnostic test and interpret the areas of difficulty faced in planning and implementation of formative assessment.

The learning levels of the students are assessed by teachers using Entry behaviour tests in the initial classes of every subject. After appropriate assessment of the test, Specific teaching-learning methodologies to cater the different needs of students are then implemented. The faculty follows an integrated approach. Traditional teaching methods are aided by new age technological methods to make learning more engaging and relatable. Tutorials, value added courses and extra classes are organized for students so as to provide special coaching in areas where they need support. Additional reading material and books are suggested and are made available to increase their understanding of the subject. Web- links are also suggested to the students to help them gain an in-depth knowledge of the subject. Bilingual approach is adopted for explanations and discussions in the class with the aim of reaching out to each and every learner so that they can be brought at par with the rest of the class. Personal, academic and career-related counselling is given from time to time. Assignments and group projects are given and evaluated on a regular basis. 3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The IQAC of the college has devised several mechanisms to review the effectiveness of the teaching learning process, structures and methodologies of operations in the institution and strived hard for its reforms. knowledge resources in the library and ICT facilities in classrooms, labs and the library are ensured before the commencement of every academic year. Discussion of syllabus, examination pattern and the PSOs and COs in the classrooms at the beginning of the academic session helps create a clear perspective regarding the curriculum .Scheduling of courses in the time table is done by keeping in view various factors such as the nature of courses like compulsory/elective/applied /add-on/bridge/remedial etc. on one hand and schedules of co-curricular and extracurricular activities on the other. Being Teachers training

college all faculty members are aware of various methods of teaching their pedagogical subjects to diversify the teaching methodologies used by the teachers in their day to day teaching practices. The most commonly used methods are projects, internship, field visit and ICT based teaching including LMS like Google Classroom . The teachers maintain their diaries that are periodically checked by respective vice-principals.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The College has a systematic general process to assess both its teaching and non-teaching staff's job performance and productivity in accordance with the College's program educational objectives. In addition to the actual performance, other aspects such as citizenship behavior, potential for future improvement, strengths and weakness are also factored into the appraisal. Every year the management assesses the performance through self-appraisal method. This is one mechanism used by the management to motivate and inform the staff about their performance and required areas for development. The management appreciates and gives increments for genuine contributions towards the welfare of the institution. The College undertakes a wide range of activities besides academics, for which faculty members are assigned additional duties and responsibilities, which are mostly voluntary. The College accords appropriate weightage for these contributions in their overall assessment. Head of the institution gives personal feedback to the staff in the areas required to be improved upon teaching, attitude and research

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Thereafter, the academic staff collectively go through the suggested revision and finalize a draft of the revised curriculum to be put forward to the statutory boards. It is first reviewed by the Board of Studies and revised accordingly to accommodate all suggestions. In preparation for this meeting, each faculty member is assigned subjects depending on area of expertise and required to prepare for orientation of the respective papers and respond to queries if any. The session is documented in the minutes of the meeting which then becomes the revision framework. Thereafter, the revised draft curriculum is put forward to other statutory boards for their suggestions and approval. The approved curriculum is then circulated to the principal, staff, examination cell, IQAC and the library as hard copies.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

There is a sociology part in the first core paper (Teacher in the Emerging Indian Society) of the B.Ed. curriculum. The prescribed part familiarizes the PTs with the concept, meanings and importance of equity and diversity. Besides, it focuses on the problems of caste and class based disparities and the aspects concerning democratic functioning of society, national integration, international understanding and their interrelations. In this context, the content outlines the ways and means for observing equity and respecting diversity. Similarly, the paper on Educational Psychology enables the learners to understand and appreciate the principles of equity and diversity so far, as they emanate from individual differences. The duly contextualized differences(diversities) are practiced with equity under focus during the course of teaching

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The learning levels of the students are assessed by teachers using Entry behaviour tests in the initial classes of every subject. After appropriate assessment of the test, Specific teaching-learning methodologies to cater the different needs of students are then implemented. The faculty follows an integrated approach. Traditional teaching methods are aided by new age technological methods to make learning more engaging and relatable. Tutorials, value added courses and extra classes are organized for students so as to provide special coaching in areas where they need support. Additional reading material and books are suggested and are made available to increase their understanding of the subject. Web- links are also suggested to the students to help them gain an in-depth knowledge of the subject. Bilingual approach is adopted for explanations and discussions in the class with the aim of reaching out to each and every learner so that they can be brought at par with the rest of the class. Personal, academic and career-related counselling is given from time to time. Assignments and group projects are given and evaluated on a regular basis. Peer learning is encouraged through group discussions and presentations.

3.3 - Extension Activities**3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year**

The IQAC of the college has devised several mechanisms to review the effectiveness of the teaching learning process, structures and methodologies of operations in the institution and strived hard for its reforms. knowledge resources in the library and ICT facilities in classrooms, labs and the library are ensured before the commencement of every academic year. Discussion of syllabus, examination pattern and the PSOs and COs in the classrooms at the beginning of the academic session helps create a clear perspective regarding the curriculum .Scheduling of courses in the time table is done by keeping in view various factors such as the nature of courses like

compulsory/elective/applied /add-on/bridge/remedial etc. on one hand and schedules of co-curricular and extracurricular activities on the other. Being Teachers training college all faculty members are aware of various methods of teaching their pedagogical subjects to diversify the teaching methodologies used by the teachers in their day to day teaching practices. The most commonly used methods are projects, internship, field visit and ICT based teaching including LMS like Google Classroom . The teachers maintain their diaries that are periodically checked by respective vice-principals.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission

of the institution

The curriculum development and its subsequent revisions is process oriented delineating the philosophy, goals, objectives, student competencies, learning experiences, instructional strategies, resources and assessment as envisaged in the institution's strategic plan. The curriculum development process is a multi-step, ongoing cyclical process which is carried out in a planned and systematic manner. There are many academic and administrative bodies, committees functioning in our institution. Some Administrative committee are named as Internal Quality Assurance Cell (IQAC), College Development Committee (CDC), Grievance Redressal cell, Women Development cell, Anti Ragging Committee, BC Cell, Health and Hygiene committee, Writing off Committee etc all these committees have at least one meeting in a year. Along with these, there are academic committee like Student Council, Planning is done. Issues are discussed and resolved and minutes are kept. decisions are conveyed and implementation is done accordingly. As ours is a small unit same people, faculty members are there in different committees, hence it becomes easy to communicate each other and implement decision successfully. Every three years, the syllabus of both programs is revisited to align with contemporary changes and announced through state/ central directives or in the public domain. Contributions are solicited from concerned lecturers and collated.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The College has a systematic general process to assess both its teaching and non-teaching staff's job performance and productivity in accordance with the College's program

educational objectives. In addition to the actual performance, other aspects such as citizenship behavior, potential for future improvement, strengths and weakness are also factored into the appraisal. Every year them management assesses the performance through self-appraisal method. This is one mechanism used by the management to motivate and inform the staff about their performance and required areas for development. The management appreciates and gives increments for genuine contributions towards the welfare of the institution. The College undertakes a wide range of activities besides academics, for which faculty members are assigned additional duties and responsibilities, which are mostly voluntary. The College accords appropriate weightage for these contributions in their overall assessment. Head of the institution gives personal feedback to the staff in the areas required to be improved upon teaching, attitude and research

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Thereafter, the academic staff collectively go through the

suggested revision and finalize a draft of the revised curriculum to be put forward to the statutory boards. It is first reviewed by the Board of Studies and revised accordingly to accommodate all suggestions. In preparation for this meeting, each faculty member is assigned subjects depending on area of expertise and required to prepare for orientation of the respective papers and respond to queries if any. The session is documented in the minutes of the meeting which then becomes the revision framework. Thereafter, the revised draft curriculum is put forward to other statutory boards for their suggestions and approval. The approved curriculum is then circulated to the principal, staff, examination cell, IQAC and the library as hard copies.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The most commonly used methods are projects, internship, field visit and ICT based teaching including LMS like Google Classroom . The teachers maintain their diaries that are periodically checked by respective vice-principals. It helps in monitoring the quality and progress of the teaching learning process Semester end review of syllabus completion report by each teacher is taken through staff meeting which is another mechanism of monitoring the teaching learning process. IQAC takes review of the activities carried out by different committees periodically and suggests changes, if any, so that the effectiveness of teaching learning process shall enhance

Example 1: Evaluation of teacher Educators by other faculty members and students. This happens only once a year but very systematically carried out during demonstration lessons. This is very important activity where faculty members give demonstration lesson in their respective pedagogical subjects where they use respective methodology and techniques to enhance their lesson. Generally it is a model lesson. At the end of lesson teacher educator explains his objectives and method used

for the lesson. This lesson is observed by another expert faculty member who discusses in detail the merits and shortcomings of the lesson. Students also participate in discussion. This periodical systematic reviewing enhances teaching learning.
