

Shri Balasaheb Mane Shikshan Prasarak Mandal, Ambap
College of Education (BEd) Peth Vadgaon.

1. Our college has a very big building.
2. We are constantly trying to provide all the facilities to our children.
3. We have various class rooms and we are providing ICT based facilities to the students.
4. We are providing free internet and WiFi facility to our students in the college.
5. Our college is unaided, all the facilities are provided through the children's fees, but we provide good facilities to the students.
6. Our college has ICT facilities like seminar hall, class rooms, ICT room, library.
7. LCD projector is available in the seminar hall, projector is available in the class rooms, total 15 computers are available in the ICT room along with three laptops in the faculty, along with two computers in the library.

College of Education BEd Petwadgaon Our college is planning to make smart classrooms in the future by making changes according to the needs and also

planning to create a studio which we will try to complete the facilities which are insufficient in the future.
