3.	Alumni suggested to organize some more skill enhancement workshops for better grooming of the students to empower them for facing the diverse situations in the ever-changing global scenario, also give a suggestion about some facilities like drinking wat	The principal of the college discussed the issue with the faculty of college in staff-meeting and it was decided to organize some more skill enhancement workshops for better grooming of the students.	Keeping in mind their suggestions, the college introduced certain value-added courses such as Communication skills, Personality development, Soft Skills etc. Some more workshops on socioeconomic themes like gender sensitization, Yoga & Meditation were organized. Provision of proper drinking water

			was made in the colleges.
4.	The students need to improve their communication skills, and trained enough to teach in the inclusive classrooms. Moreover, 'How to teach in online mode' needs to be incorporated in the curriculum, as it is the need of hour. The teachers need to be well equipped to deal with the contemporary challenges.	The students need to improve their communication skills, and trained enough to teach in the inclusive classrooms. Moreover, 'How to teach in online mode' needs to be incorporated in the curriculum, as it is the need of hour. The teachers need to be well equipped to deal with the contemporary challenges.	Personality development workshops to be organized. The concept of Online mode of Teaching was considered and planned. Students were told how to take ICT based/online lessons while taking lessons in the internship.
