Various Policies for Implementation to keep

Campus clean, green and plastic free

The institution believes in making stakeholders environmentally conscious and social responsible citizens of the nation.

Hence, following rules are made to reduce the use of non-reusable plastic in the campus as well as to keep campus clean and green.

- "Do not use non-reusable plastic in college premises."
- Students can make eco-brick with the help of non-reusable plastic wrappers and bottles.
- Faculty members and students are allowed to use only reusable plastic bottles or steel bottles for drinking water.
- Staff can use only glass, ceramic or steel cups, cutlery and containers; do not throw any plastic garbage in the campus.
- Do not use stationary material like use and throw pens, plastic folders and plastic bags in the college premises.
- To create awareness for cultivation of indigenous plant varieties in the campus.
- To motivate students for tree plantation and to create awareness regarding environment protection through various activities.
- For conservation of energy resources, all the students and staff members to encourage utilize bicycles, public vehicles etc.
- Ecofriendly events - To use digital invitations, reduce paper waste and ensure proper waste disposal at events.
